18 Boston Rd., Andover, MA 01810, (877) 663-8522, www.cuveestorage.com, e-mail: paulfugere@comcast.net. The Wine Cellar division of Cuvee is guided by one question: "Why?" Why is the "best" racking available on the market today built so poorly? Why are details such as sculpted edges, fit and finish, and quality of materials not the driving factor with other companies? We believe that these and many more questions had to be asked, and more importantly, answered. Cuvee refuses to settle for mediocrity and has developed a racking design which incorporates functionality inspired changes with the elegance of the best in custom cabinetry.
